"Set on a hillside surrounded by woods less than 1 km from the beachfront in Southern Biarritz, this charming villa boasts ocean views and an amazing outdoor space with terraces and a heatable pool- a superb seaside home for sports lovers of all ages!"

This stretch of southern France's Atlantic coast is very popular among surfers due to the impressive high waves, ideal for surfing, body boarding, deltaplaning and kitesurfing. Also golfers are attracted by the wide selection of first-class golf courses. The mild climate and the long sandy beaches contribute to the region's appeal for families who will find this area very well connected to Biarritz town centre (via a shuttle service available during the summer months) but also to the enchanting Basque mountains and hilltop villages. Visit Bayonne old quarter for a glimpse into its rich cultural heritage. The fashionable seaside resort of St Jean de Luz is only 15 km away from your villa. Further afield, beyond the Spanish border, the coastal town of St Sebastian provides an ideal day trip.
