"This magnificent luxury villa in Corsica overlooks Palombaggia beach, close to the trendy town of Porto Vecchio, and sits on a quiet hillside, surrounded by stunning scenery and unrivalled sea views."

This luxury villa sleeps up to ten guests in five ensuite bedrooms, finished to the highest standards and offering five star facilities including a heated outdoor swimming pool, modern gymnasium, cinema room and a private hot tub on the terrace of the first bedroom. There is an outdoor activity area in the shade of centuries-old olive trees, which includes a children's play area.

The vast living spaces are refreshingly modern and offer a wonderful lounge area with a full entertainment system and a superbly equipped modern kitchen and dining area, perfect for family and friends to gather in. A fabulous collection of paintings and vintage model aeroplanes and boats just ooze class and charm throughout the property. The large outdoor pool with stunning views creates a real 'wow' factor. Carefully designed to work within the natural surroundings and complete with comfortable loungers, it may well be as far as you wish to ever travel from the villa! However, should a day soaking up the endless Corsican sunshine at the beach be what you are looking for, just a short walk from the villa is one of Europe's most secluded and stunning beaches; 'Palombaggia'. Recently named by The Sunday Times as one of the top 10 beaches in Europe, it is praised for its clear turquoise waters and outstanding scenery.

If staying in shape is important to you whilst away, then enjoy a work out in the villa's fully air-conditioned gymnasium. Or for a less strenuous way to while away the time, watch a movie in the cinema room complete with a DVD library, or sit back and enjoy a glass of fizz in the hot tub. Each bedroom is equipped with a plasma television, DVD player and iPod docking station and the villa benefits from Wi-Fi throughout. Finishing touches to the bedrooms include luxurious crisp white linens, fluffy towels, bathrobes and L'Occitane bath products.

Windsurfers, speedboats and jet skis can all be rented from Palombaggia beach, and larger speedboats are available from Porto Vecchio to visit the nearby uninhabited islands and Sardinia. There are several excellent equestrian centres nearby, have you ever tried taking a horse for a swim?!

There are excellent restaurants and bars on Palombaggia beach just a short walk from the villa. In the nearby chic town of Porto Vecchio you will find fabulous restaurants serving fresh fish and local Corsican specialities, as well as several gastronomic restaurants and one of Europe's leading night club venues! The historic town of Bonifacio, with its fashionable boutiques and trendy bars and restaurants, is within easy driving distance, while the nearby mountains make for a great alternative day out to the beach and has various interesting activities on offer and some breathtakingly beautiful walks.
