"Sitting atop a hill above Agia Sofia, on Mykonos' west coast, this delightful 3-bedroom villa boasts elegance and charm, with a private infinity pool affording expansive sea views".

This magnificent summer home boasts unrivaled views of the iridescent Aegean Sea, extending all the way to Delos island. This 3-bedroom property combines an excellent location with graceful design and top amenities, inviting up to 6 guests for a quintessential Mykonian experience. Reminiscent of the Mykonian landscape the villas' exteriors combine white surfaces and stone-built walls in striking contrast with the blue sea and sky, on the one hand, and the arid hills on the other. Natural materials, like wood and marble, are employed throughout the house creating a relaxing summer look, while the island-chic decor with charming rustic touches conveys an aura of cozy elegance.

Although peaceful and tranquil, the villa's location is only 3 km away from bustling Mykonos Town and its endless array of shopping, dining, and entertainment options. Agios Stefanos, a popular, wind-protected beach enjoying unique views of the islands of Delos and Rhenia, is 4 km from the property.
