"Traditional on the outside, contemporary on the inside, this is minimalist style the Sicilian way. A perfect base from which to explore Sicily and the local Baroque towns."

Located near the ancient Baroque town of Scicli, a UNESCO heritage site in the south of Sicily, Villa La Carob sits among picturesque and tranquil scenery. With a well maintained garden and lovely pool area plus spacious sunny terraces surrounded by dry stone walls, this is a perfect spot to enjoy sunshine and good times. The modern styled interior includes four comfortable bedrooms, five bathrooms, a spacious and bright living area and kitchen, plus a sitting area with a bar, perfect for family and friends to socialise together. Facilities include a sauna, Turkish bath, whirlpool bath, multi sensory shower and a private tennis court. In the local area one can explore baroque towns like Ragusa-Iba, Modica or Noto. Syracuse, famous for its ancient Greek ruins encapsulates Sicily's timeless beauty and is also close by; enjoy Roman amphitheatres, the Teatro Greco, the Museo Archeologico or even the Orecchio di Dionisio (a limestone cave carved like a human ear!)
