"Nestled amidst the picturesque Tuscan landscapes of rolling hills, this exquisite period mansion with private pool offers an unparalleled retreat near the enchanting city of Florence".

The property stands as a testament to elegance and sophistication of a bygone era, surrounded by the timeless beauty of the Chianti countryside. The villa itself boasts seven tastefully appointed bedrooms, each thoughtfully designed to provide a harmonious blend of comfort and style. Adorned with authentic Tuscan furnishings all living areas are spacious and airy, some featuring vaulted ceilings, fireplaces and antiques, with magnificent panoramic views. Formerly the residence of distinguished aristocratic Florentine families, including the Medici family, this villa has been restored preserving some of its original features, such as the Hall of Arms, the kitchen on the ground floor of the Tower, the elegant living room and the Ballroom with its beams, coffered ceiling, painted floor and a large Renaissance fireplace.
