"This is a spectacular architect designed modern villa. A stunning venue for entertaining with a wow factor to boot."

Villa Tiffany is located in Quinta Verde, a small development about one kilometre from Quinta do Lago. The open-plan style is ideal for get together and socializing, while the extensive use of glass allows light to fill the house. The manicured gardens flank a large stone staircase, providing a welcoming entrance which is beautifully framed by a set of two mature floating palms. Behind the massive wooden front door, the entrance foyer opens out to an impressive open-plan interior.

The split-level living room, kitchen and dining room area are bright and spacious, revealing views of the swimming pool beyond through the full-length glass walls and sliding doors. A slate feature wall in the living room and large stone tiling used throughout this space create a stunning environment. The kitchen is a chef's dream, a large central island is complemented by only the best of appliances, including a wine cooler, espresso machine and extensive storage space. There are four bedroom suites, two on the first floor and a further two bedrooms including the master are on the second floor. Ducted air conditioning and WiFi throughout.

The lower basement area is truly unique: a glass wall reveals the blue waters of the swimming pools' depths. There is a plush cinema area, utility room, storage space, a guest shower room, steam room, cloakroom and garage in addition. The outdoor area, including a large roof terrace with jacuzzi are further impressive spectacles. The swimming pool and surrounding sun terraces plus BBQ are ideal for enjoying the Algarve sunshine. The pool can be heated at an additional charge on request.

There are plenty of places to dine at locally, including international cuisine as well as classic Portuguese dishes. Days out include Zoomarine (a marine park for all the family), splash parks, jeep safari, historical tours and boat trips. The airport (Faro) is around 25 minutes away, supermarkets are within 5-10 minutes drive.
