"A stunning 6 bedroom villa in one of the most sought after locations on the Algarve"

Laid out over three floors in the resort of Encosta Do Lago, Quinta do Lago, next to the beach and lake, with some of the finest restaurants within walking distance and lots for the children to do, this villa really does have it all! The lake within just a short stroll has an abundance of watersports to offer and Encosta do Lago itself has a fantastic communal pool area and tennis courts available for your use free of charge. The villa boasts a lovely sunny outdoor pool, a heated indoor pool as well as a sauna and Turkish bath (charges apply for the latter only).

The master bedroom on the first floor features a large en suite bathroom and glorious views across Quinta do Lago. There is an additional bedroom with en suite on this floor. The main living areas and three further bedrooms can be found on the middle floor including a large designer kitchen, which is a great area for socialising, and the dining area just off the kitchen leading to the sun terrace. Two of the bedrooms on this floor are ensuite and the third has use of the shower room situated down the hallway. On the lower ground level you have a twin room with en suite bathroom and patio doors leading to a small courtyard, a garage, indoor heated pool, games room and 'spa' facilities including fully equipped gymnasium including plasma TV, sauna and Turkish steam room (extra cost for the steam room) and access to the garden with outdoor pool. The exterior of this villa is every bit as impressive as the interior with luxury sunloungers and a choice of dining or relaxation spots to enjoy, depending on where the sun is shining!
