"Villa Jardim is a stunning and unique villa that is sure to leave you with unforgettable memories"

This stylishly decorated 5 bedroom villa is equipped to the highest standard and boasts gorgeous, expansive gardens. You can relax by the private and heatable swimming pool, enjoy the landscaped gardens, and the view over the golf course. Indeed, here you are set next to São Lourenço golf course and more broadly, surrounded by the picturesque Quinta do Lago resort.

Upon arriving at Villa Jardim you will immediately be impressed with the grandeur that invites you into this exclusive property. From the hallway you enter the comfortable lounge area that has stunning views towards the patio, pool area and gardens. There is a separate dining room, and a fully equipped kitchen, allowing you to recreate your favourite Portuguese dishes. It can also be used by your private chef.

Downstairs there are two beautifully presented large double bedrooms. The first boasts views towards the pool area and access to a patio as well as a spacious shower room. The second has beautiful views towards the front courtyard and an ensuite bathroom.

Upstairs, there are a further three bedrooms with ensuite bathrooms and wooden flooring to create a tranquil seaside vibe. The master bedroom is open and large with the bed facing towards a balcony, offering stunning views towards the pool area, formal garden, San Lorenzo golf course and the impressive landscape of Quinta do Lago. The third double bedroom is also large and spacious with lovely views and an ensuite shower room. The fifth bedroom is ideal for children as there are two single beds and a set of bunk beds.

The property's exterior is stunning and lends itself to easy outdoor living. From the lounge area you are able to step onto the terrace that encircles the house with one section facing towards the pretty green garden and the other to the inviting turquoise pool. Why not have a BBQ outside on the terrace and watch the sun disappear through the pine trees, perhaps with a glass of something special in hand? The meticulously maintained landscaped garden is unusually large for the area, and provides a tranquil atmosphere. The pool area is a few steps down to the left of Villa Jardim and provides the ideal secluded surroundings for sun-worshippers and pool-lovers alike.
