“Villa Jara has a stately feel – a combination of an Andalusian palace with a twist of modern luxury to create a unique blend. We love the imposing hillside position, stunning views and beautiful poolside area – long summer days bathing in the Spanish sun await.”

Contemporary furnishings, pieces of modern art and high vaulted ceilings blend together perfectly among the neutral pastel colours, creating a most desirable holiday residence. There is a well equipped modern kitchen with a central island, perfect for either putting together your own elaborate dinner party dishes, or for a private chef to prepare in.

There are numerous areas to sit and relax, both indoor and outdoor: of particular note is the covered outdoor poolside seating, offering relaxing evenings watching the sun go down, perhaps with a cocktail in hand. There is a home cinema, pool table with bar, sauna, WiFi and air conditioning plus an elevator serving all floors.
